School Savings Scheme: Enfield Credit Union made a presentation of a cheque for €300.00 to the school following the participation of the school in the scheme. Fifth and Sixth Class children from St. Mary's P.S. participated in the **School Savings Scheme** organised by Enfield Credit Union.

Book Rental and Booklists: The booklists have been issued and are on the website. The Book Rental scheme continues to be a success. We are able to add more books each year as there is practically 100% participation in the scheme. It offers great value. **The €25 Book rental should now be paid so that orders can be placed for new books. We are not in a position to guarantee that your child will be able to avail of the scheme if the book rental is not paid.** There are a number of books that must still be purchased by the parents and we ask that the children have these when they come back to school in September.

School charges: School charges of €60 per child or €100 per family, as stated on booklist are due by the end of September.

Safety: Please supervise young children closely when waiting at 1.40 and 2.40

Dates for your Diary: The school closes for the Summer holidays on **Friday 28 June. Infants go home at 12.15 and all other children go home at 12.30.** Please do not ask to collect older children at 12.15 as this makes the organisation of the exit of the older children difficult.

School will reopen for all children on Wednesday 28 August as was communicated at an earlier stage in the year. Junior Infants start at 10.00. All other children start at 9.00 on the first day.

School Calendar: The calendar for the 2019-2020 school year has been made available. A copy is printed again on the back of this Newsletter and is available on the website. The Department of Education has notified the school of an inservice day on the new Primary Language Curriculum. **The school will be closed to all children on Tuesday 15 October.**

Sixth Class Graduation: Our Sixth Class graduation takes place this evening Thursday 27 June at 7.30 in the school. We have had a wonderful group of students this year. We are proud of them and wish them well as they take the next step in their educational journey.

Exiting the School: Next year the present First Classes will exit via the same route when they are in Second Class. The present Senior Infants will be the new First Classes and will follow the same route that the First Classes used this year which is out the door at reception.

Thank you for your support during the year. I wish you all a safe and enjoyable summer. Enda Flynn
